

I benefit from listening to XM Satellite Radio and its traffic and weather channels. Satellite Radio provides a variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I respectfully urge the FCC to reject the NAB's Petition 04-160 and to support XM's ability to provide me with the kind of programming that I demand and deserve. Respectfully, Keith T. Killeen
